## INTRODUCTION

Dear Turney Center Visitor:

This handbook has been prepared to provide needed information to visitors of Turney Center Industrial Prison. The enclosed information will prove to be extremely helpful by clarifying some basic details about the institution and its various rules and regulations.

Although not every question or concern can be addressed, this handbook should cover most areas of concern to visitors, and the rules and regulations that apply to visitation. All visitors will be expected to comply with all rules and regulations governing visitation so that each visit may be beneficial for everyone.

Visitation is an important part of the life of all inmates at Turney Center. We hope that our visitation program will encourage and preserve family interaction.

Sincerely,

A handwritten signature in cursive script, reading "James Fortner", is written over a solid horizontal line.

James Fortner, Warden

## **OVERVIEW OF TURNEY CENTER INDUSTRIAL PRISON**

Turney Center was originally constructed in 1970 to house 572 youthful offenders from the ages of 18 to 21 years of age. During the 1980's with the implementation of the Prison Plan of the 80's, Turney Center began to house inmates from all different age groups with longer prison sentences and more serious felony charges. The institution went through a period of reconstruction in 1988, and new housing units were completed in February, 1990.

Inmates were moved into the new units in March of 1990. The population capacity at Turney Center currently stands at 1284 inmates, with custody levels ranging from close custody to minimum trustee. Turney Center's Annex has a population of 152 inmates with custody levels ranging from minimum direct to minimum trustee. Turney Center is designated as a medium security institution.

Turney Center is located approximately 65 miles from Nashville going west and 148 miles from Memphis traveling east on Interstate 40. Exit off Interstate 40 at exit 148, turn onto Highway 50 going towards Centerville, turn right onto Highway 229 and follow the signs for Turney Center.
